“Go in peace, glorifying the Lord by your life.”

The responsibilities we agreed to take on as members of the church must continue in the world outside the church doors. That world is everywhere, including our homes, neighborhoods, and communities. We “glorify the Lord by your life” best when we serve the needs of others.

The Mass sends us in a general direction to put God’s word in action day in and day out and the church provides a great deal of help and guidance to do this work effectively. The Ten Commandments are meant to guide us to make choices that allow us to live as God wants us to live. The Corporal and Spiritual Works of Mercy should act as guides for our actions as well.

How is your service like the work of Jesus?

What did you learn about yourself doing this kind of service, and how did it make you feel?
